Exploring the Connections between Buildings and Places in North West Ulster

BOOK
NOW!

Wednesday 7th - Saturday 10th June 2017

The UAHS and IGS Cross-Border Summer School is back for 2017! Once again, this special event brings together students, experts and enthusiasts to explore, discuss, debate and enjoy issues relating to our shared Irish heritage in the context of Derry City & Strabane and Donegal. The event will focus on conservation and heritage led regeneration in the built environment of North West Ulster.

There will be many opportunities to visit and engage with the history and heritage of the area through talks, site visits to vernacular and civic buildings of architectural interest, demonstrations of traditional building skills and open discussions.
